WHO IS THIS!?
EVEN THE WIND AND WAVES

MK 4:41

BDUB VDUB

BIBLICAL WORLDVIEW WEEK

Both the sailors with Jonah and the disciples with Jesus looked at God's control over water and worshiped.

They looked at how the water obeyed its Maker and marveled.

Let's do the same.

We are going to gaze into it, touch it, skate on it, drink it, and think on it.

And as we do, I pray you are captivated by the God who sustains the whole world by this simple element and who invites us to drink from Him as THE source of Living Water!
