

God's power is unleashed  
*through our prayers*

Join other moms in simple, conversational prayer  
for your children and their schools.

**Every child, preschool to young adult, needs your prayers.**  
We live in a culture that seeks to blind our children to the reality of God's love for them. You can make a difference in their lives by interceding for them using God's Word, praying together with other moms that our children and their schools will be transformed by Christ.

Starting or finding a Moms in Prayer group is easy at **MomsInPrayer.org**  
All you need is one other mom who has the same interest to pray together for your children.
