Please provide a general description of your after-school schedule needs at this time. Step 6

Student Conduct Expectations

Throughout the school day, both on and off campus, CHS endeavors to nurture and promote Christ-like character in all students. The conduct of students in school has an important effect on student achievement. While the ultimate responsibility for student behavior rests with the parents and the students themselves, CHS has an obligation to provide leadership in this respect and to ensure that appropriate standards are maintained when students are under school supervision. Each teacher maintains classroom expectations in accordance with Christian principles as set forth in Scriptures.

Parents and teachers must cooperate with one another. Anything said or done which destroys mutual respect and confidence will harm the child. Parents will be contacted as soon as any behavioral problems become evident to foster good communication and facilitate partnering in promoting godly character.

The following are guidelines for behavior at CHS Kingsmen Kids After School Program:

- An attitude of respect for those in authority is expected. The title of Mr., Miss, or Mrs. should be given respectfully regardless of time or place.
- Students will be considerate and respectful towards others. Students should demonstrate good manners, and use the words, "thank you," "please," and "excuse me."
- Students will be considerate and respectful of different cultural backgrounds and experiences. Racially derogatory or discriminatory remarks or gestures, whether intentionally meant for harm or not, are inappropriate behaviors.
- Students will respect school property and the property of other students.
- Students are to walk in the halls, use a reasonable tone of voice, and exhibit orderly behavior.
- Students will maintain a spirit of cooperation in all areas of the school program.
- Profanity is prohibited. This includes the phrase, "Oh, my God!"
- Students will not have physical contact with another student: pushing, grabbing, kicking, etc.

- If a student does not adhere to the Student Conduct Expectations, a verbal warning will be given the first time. If a student continues to disobey, the student will be given time-out from the activity for an appropriate amount of time and until they are able to adhere to the expectations. Parents will be notified if behavior continues to be challenging. If the behavior continues, despite attempts to correct, the Kingsmen Kids After School Program reserves the right to remove the child for a number of days to be determined by the Director of Kingsmen Kids.
