

# Grade 11 and 12 Textbook List 2021-2022

As a convenience to families and to ensure students have the correct textbooks, CHS will be providing most textbooks via leases or rentals charged through SMART tuition. There are only three courses where families need to secure a textbook. Those three courses are listed below under “Textbooks that Need to be Purchased”. The section entitled “SMART Tuition Charges for Textbooks Provided by CHS” lists all courses for which there are textbooks (electronic or hard copy) provided by CHS with appropriate fee that will be charged through SMART. All hard copy books are rentals and must be returned at the end of the school year. If a course is not listed, it is either because the course does not use a textbook, or the textbook is provided free of charge. Note that if a student drops a course some or all of the textbook fees may not be able to be refunded.
