November 16, 2021

Dear CHS Family,

It is hard to believe I am already sending out the yearly communication about snow and inclement weather, but it is time. Some are excited to get this communication because they love snow, others are shuddering at the thought of winter coming soon 😊.

- As a general rule, CHS and Trumbull Public Schools will follow the same weather-related delays and closures. The Town of Trumbull provides bussing for many of our students; hence we generally attempt to coordinate snow-related changes with the Town. On some occasions, however, CHS will call for a different plan than the Town. **Please specifically look for announcements made directly by Christian Heritage School for each weather-related event.**
- You will be **notified by phone and by email** if CHS is closed or is operating on a modified schedule due to the weather. In addition to the phone call and email, CHS will also list all school closings and delayed openings on a banner on the school website. Our communication system is linked to your family's contact information in FACTS (formerly RenWeb). Each family controls their own data and their own notification preferences within the FACTS system. This is a good time of year to login to FACTS to revisit your contact information and preferences to be sure all is up to date. If you experience any issues with this communication, please call the school office and we will be glad to assist you in setting up your preferences. (Note: The school will no longer list delayed openings or school closings on any local radio stations. The school will also only notify three television stations of delays or closures: WFSB Channel 3, WTNH Channel 8, and News 12 Connecticut.)
- On any **delayed opening day**, the school will provide childcare for all Kindergarten through fifth grade students in the gym for those families who are provided with a hardship challenge due to the delay. This service will start at 7:20am.
- When school is closed due to inclement weather, the Main Office will be closed throughout the day and the school will **not offer any childcare**. It should be assumed that all after school programs (athletics, fine arts, meetings of any kind) are canceled – unless you receive written information from the event coordinator saying otherwise.
- CHS builds several snow days into the school calendar. If weather-related closings force snow days beyond the built-in days, we may hold **virtual school sessions** by sending assignments home through FACTS/Google Classroom. In this manner, we will not have to lose large portions of spring break or add extra school days to the calendar in June.

Blessings in Christ,

Mike
